

**— Trio Bottles 5 cl et 20 cl —****TRIO 5 CL****POMMEAU DE NORMANDIE AOC**

Our Pommeau de Normandie is made by the mutage of 2/3 of apple must and 1/3 of one-year-old-Calvados Pays d'Auge, that titrates between 68% and 70% alcohol.

Our Pommeau ages 36 months in oak barrels (14 months minimum authorized by the legislation)

It can be served as an aperitif, during the meal and for cooking.

**CALVADOS AOC PAYS D'AUGE FINE**

This young Calvados ages between 2 and 3 years in oak barrels.

Fruity alcohol particularly recommended to strong « eaux de vie » lovers.

It is used as a basis for cocktails, for culinary preparations requiring an aromatic power and a high content in alcohol (flambéing, sauces...) and as well at the end of the meal, in a cup of coffee.

**CALVADOS AOC PAYS D'AUGE VIEILLE RESERVE 8 YEARS**

This Calvados ages 8 years in oak barrels.

At the end of the meal, this Calvados is really appreciated for its subtle aromatic taste and its length.

This is the youngest Calvados of the HUET range of Calvados.

**CALVADOS AOC PAYS D'AUGE VIEUX 4 YEARS**

This young Calvados ages between 4 years in oak barrels.

With its well-balanced flavors between wood and apple, it is really appreciated as a « Trou Normand » (in the middle of the meal) alone or with an apple sorbet.

**CRÈME DE POMME VERTE**

This Green Apple Cream is a sweet liqueur made with natural aromas of green apple.

It can be served :

- As an aperitif with Champagne or in a cocktail with orange juice
- As a "Trou Normand" (in the middle of the meal), with an apple sorbet
- As an after-dinner liqueur with ice
- In pastries, cakes (ex: Green Apple cream baba).

Once opened, it should be consumed within 2 years.
